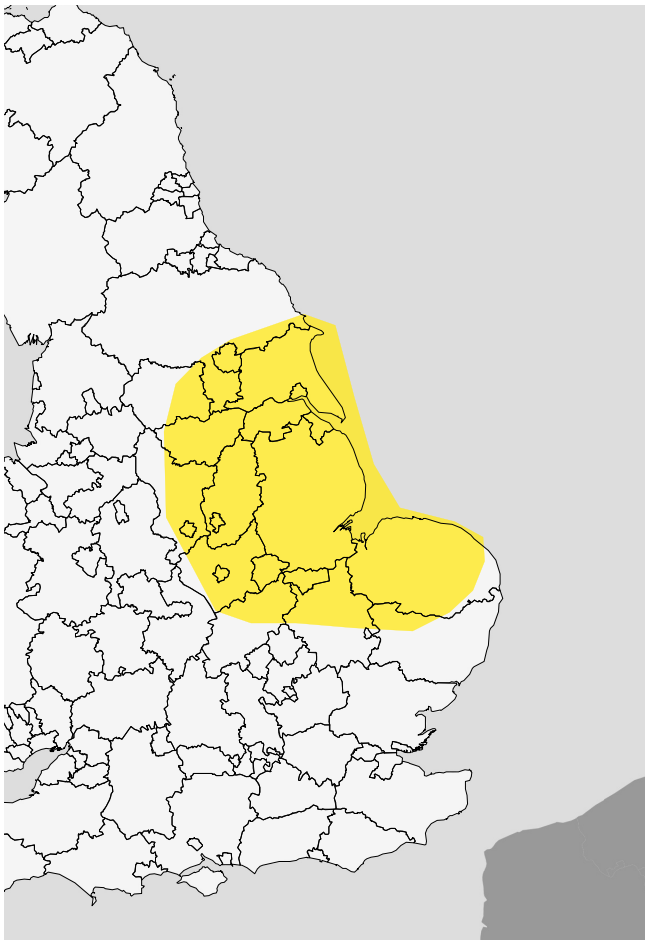
Yellow warning
Thunderstorm

Between
11:00 Fri 30 Jul 2021 and
22:00 Fri 30 Jul 2021



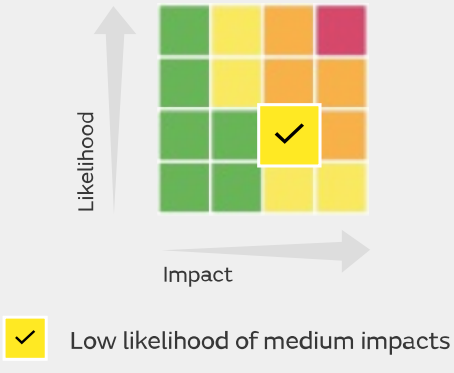
Heavy showers, thunderstorms and torrential downpours may cause some flooding and travel disruption.

What to expect

- Flooding of homes and businesses could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Fast flowing or deep floodwater is possible, causing a danger to life
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Some communities might become cut off if roads flood
- Power cuts might occur and other services to some homes and businesses could be lost

Further details

Heavy showers and thunderstorms will develop later this morning and this afternoon. Some torrential downpours are possible with 20 to 40 mm rain falling in some places and, perhaps, more than 70 mm rain falling in one or two spots. Lightning, gusty winds and hail will be additional hazards for some.



Low likelihood of medium impacts
